

BUILDING REAL-TIME LEARNERS

The value of higher education is under siege.

Chief Academic Officers who believe they effectively prepare students for the world of work.

VS.

Business Leaders who strongly agree.

Gallup. (2013). What America Needs to Know About Higher Education Redesign. Retrieved from <http://www.gallup.com/services/176759/america-needs-know-higher-education-redesign.aspx>

Higher education is not adequately preparing students for the **NEAR CONTINUOUS CHANGE** in today's business environment.
